Instructions for use :

The shoe has been developed for a general use, against slight mechanical damage (small shocks and/or vibrations), **only for minor risks**.

Does not protect against the risks of crushing, puncturing, slipping, or chemical, thermal and electric risks.

Adjustment :

The shoe must support your foot perfectly and you should feel no discomfort while walking. If so, you must choose a bigger or a smaller size.

Use limitations :

Do not use out of operating range as specified in above instructions.

The brand **ADHERA®** cannot be held liable, if the shoes are used other than intended, as mentioned in this instruction for use.

The shoes do not contain any known substances that might be cancer causing, toxic or susceptible to cause allergies.

Storage instructions :

Each pair is delivered in an individual box with instructions for use. Store in its original packaging in a dry location protected from light, humidity, and frost.

Cleaning instructions :

To remove earth and dust use a non metal brush. For spots use a damp cloth with soap if necessary. Airdry away from heat.

Period of obsolescence, guarantees :

The shoes provide an adequate protection of 5 years beginning with the manufacturing date which is indicated on the shoe and under the condition that normal use and storage instructions are followed. Before and after use be sure to check the integrity of the shoes (excessive wear of the soles, seams in bad shape, detaching sole)

The guarantees are valid for shoes in a good condition. **CLEMENT DESIGN** cannot be held liable, if the shoes are used other than intended, as mentioned in this instruction for use. Dispose of the shoes, if they are worn out or deteriorated. Do not try to repair them.

Recycling:

In order to dispose your shoes, please use adapted recycling installations in your surroundings.
